Bueno, Bruno

Course: Human Factor O&G 02: Mind-State Management for Safety in High Risk Environments

Author: Global Network of Companies

Date: 16 Feb 2026

Duration: 45 minutes

Topics Covered in Course: Our state of mind is critical to safety. Our behaviour can dramatically impact the communication, assertiveness, complacency, attitudes, and decisions, of those around us. This course will provide tools to improve your mind-set, interact with others effectively, and reduce complacency.

Certificate # 6e77af11-1805-4621-99fd-a31234e8d350.6128a4bb-a457-6b74-51e0-49445bcdbf2d
