Bueno, Bruno

Course: Human Factor O&G 07: Teamwork in High Risk Environments

Author: Global Network of Companies

Date: 17 Feb 2026

Duration: 45 minutes

Topics Covered in Course: This course explores the critical components of effective team collaboration, communication, and coordination, especially in high risk environments. We will also explore strategies to enhance trust and cohesiveness within teams. It takes effort from both team leaders and team members to develop and maintain an effective team. In this program, we will provide insights into working in high-risk industry teams. By the end of the course, participants will be equipped with the knowledge and tools to foster a cohesive team dynamic, ensuring safety and performance excellence in high-risk settings.

Certificate # 6e77af11-1805-4621-99fd-a31234e8d350.b6f57ff6-83d3-f8a4-050e-42e35ecc5215
