Bueno, Bruno

Course: Human Factor O&G 08: Leadership in High Risk Environments

Author: Global Network of Companies

Date: 17 Feb 2026

Duration: 45 minutes

Topics Covered in Course: In today's rapidly evolving world, effective leadership is crucial for the success and sustainability of organisations across all sectors. Research into important leadership skills has revealed that while technical expertise and strategic vision are essential, the most effective leaders possess a unique blend of interpersonal and intra-personal skills. Strong leadership is especially required in high-risk environments.

The inclusion of new generations in our workforce, and the advancement of technology, require leaders to review and adjust to be successful. This course provides a unique perspective to address modern leadership challenges
